Instructions: BackCheck Forms

The BackCheck forms include the following documents:

- Consent Form A
- Consent Form B
- Attach to Consent Form A. This document is only relevant if you are using a Notary Public to verify your identification and witness your signature on Consent Form A. If you use a Notary Public you must complete and attach this form to Consent Form A.
- Supplemental Information Sheet Regarding Name Based Criminal Record Checks. This document is only relevant if you are declaring a criminal conviction on Consent Form A.

The BackCheck forms must be filled out by all new applicants for guardianship, trusteeship or co-decision maker, in order to authorize a Criminal Records Check, a Credit Check (if applying for Trusteeship) as well as a Reference Check. Here are some instructions to help you fill out the forms.

Each proposed Guardian, Trustee, Co-Decision Maker and Alternates must fill out their own BackCheck Forms providing their individual consent and return them to the Office of the Public Guardian.

1. Consent Form A

Consent Form A is the authorization for a Criminal Records Check and a Credit Check. The Credit Check is only completed if trusteeship is applied for. Complete all personal information on the top half of this form.

- Each applicant and alternate must sign and date in the first signature box in front of a witness.
- The witness can be an Office of the Public Guardian Representative or a Notary Public. The witness must sign and date the signature box indicated "Signature of OPG Rep or Notary Public".
 - o The document titled Attach to Consent Form A is used only when you are using a Notary Public to verify your identification.
- If applying for a Trusteeship or a Guardianship AND Trusteeship order, the applicant and any alternate must sign and date in the third signature box, so a credit check can be completed.

2. Confirmation of 2 pieces of ID

In order to complete a Name Based Criminal Record Verification, two pleces of identification (ID) are required for each applicant and alternate.

The first piece of ID must be government issued identification and must include name, date of birth, signature, and photo. Examples of this type of identification include: Driver's License, Passport, Citizenship Card, Permanent Resident Card, Certificate of Indian Status.

The second piece of identification must, at a minimum, include the applicant's/alternate's full name.

These pieces of identification must be verified in person and a copy of each piece of identification will be taken at that time. Each applicant/alternate must bring their identification for verification. Verification can be completed in a variety of ways at several different locations in the province. The options are listed below:

- Any Office of the Public Guardian (see page 3 for list)*
- Any Notary Public **
- Any lawyer in the province***

*Applicants and alternates can visit an Office of the Public Guardian (OPG). If OPG is utilized, each applicant and alternate can bring their individual **Consent Form A**, **Consent Form B** and **2 pieces of identification**. Note: If applicants/alternates are able to go directly to an Office of the Public Guardian, the "Attach to Consent Form A" paper does not need to be filled out.

**Typically, registry offices, insurance agencies, law offices (including students-at-law) or real estate agencies provide Notary Public services for a nominal fee. If applicants/alternates use a Notary Public, please have the Notary Public complete Sections 1 and 2 of the "Attach to Consent Form A" paper. The Notary Public must affix his/her seal to "Attach to Consent Form A". The Notary must also witness applicant/alternate's signature on Consent Form A.

Consent Form A, Consent Form B, the "Attach to Consent Form A" paper, and both copies of each applicant/alternate's identification must be submitted to the Review Officer at the Office of the Public Guardian.

*** A lawyer is a Notary Public. If applicants/alternates use a lawyer, please have the lawyer complete Sections 1 and 2 of the "Attach to Consent Form A" paper for each applicant and alternate. The lawyer (Notary Public) must affix his/her seal to "Attach to Consent Form A". The lawyer must also witness applicant/alternate's signature on Consent Form A.

Consent Form A, Consent Form B, the "Attach to Consent Form A" paper, and both copies of each applicant/alternate's identification must be submitted to the Review Officer at the Office of the Public Guardian.

- Canadian Driver's License
- Provincial ID Card
- Foreign Driver's License
- Foreign Passport (that is not hand)
- Canadian Citizenship Card
- Permanent Resident Card

The second piece of identification must, at a minimum, include the applicant/alternate's full name. Any "primary" ID listed above can also be used as a "secondary" piece of ID (e.g., applicant could use his passport for primary ID and driver's license for secondary ID). Below is a list of ID that can be used as "secondary" ID (as a general rule however, anything with the applicant's full name is acceptable):

- SIN card Note: Office of the Public Guardian will not accept SIN cards as a form of identification
- Library Cards

Supplemental Information Sheet Regarding Name Based Criminal Record Checks

The BackCheck screening process for a Name Based Criminal Record Check includes a search of the National Criminal Records epository known as the Canadian Police Information Centre (CPIC) database, maintained by the RCMP. Part of this search of the CPIC database includes a search of the Identification Data Bank.

The search of the Identification Data Bank is comprised of three (3) data sets, including: 1) offender's criminal record information; ?) summary of offender's biographical and offence information; and 3) indexed summary of offender names for rapid search. Canadian Criminal Real Time Identification Services (CCRTIS) is the only entity that is authorized to update, delete, and/or modify nformation within the Identification Data Bank. Lawfully obtained fingerprints support each criminal record entry in the dentification Data Bank. This information is collected by virtue of Personal Information Bank (PIB) CMP PPU 030, pursuant to the Privacy Act.

By searching the Identification Data Bank, BackCheck's police partner is able to provide BackCheck's clients with a Name Based Driminal Record Check which is a query based on name, date-of-birth, and declared criminal record history of active criminal files n the RCMP National Repository of Criminal Records. A Name Based Criminal Record Check is used to determine the possible existence of a criminal record and generally used as a preliminary search only to determine if a Fingerprint-based Criminal Record /erification may be required.

n accordance with the newest guidelines for the Dissemination of Criminal Record Information set by the Ministerial Directive Concerning the Release of Criminal record Information by the Royal Canadian Mounted Police (RCMP), BackCheck clients must have their candidates fully complete the "Declaration of Offences" section of the BackCheck Criminal Record Check Consent Forms. BackCheck clients are also required to instruct their candidates that the following offences should not be declared in this section: L

- A conviction for which the Applicant has received a Pardon in accordance with the Criminal Records Act
- A conviction where the Applicant was a "young person" under the Youth Criminal Justice Act
- An Absolute Discharge or Conditional Discharges, pursuant to section 730 of the Criminal Code
- An offence for which the Applicant was not convicted
- Any provincial or municipal offence, and
- Any charges dealt with outside of Canada

A declaration deemed complete and accurate will be confirmed as such by BackCheck's police partner conducting the Name Based Criminal Record Check. A confirmed declaration may not contain all criminal record convictions. A confirmed declaration loes not constitute a Certified Criminal Record by the RCMP, which can only be issued by CCRTIS based on the submission of ingerprints to the RCMP National Repository of Criminal Records.

_egible copies of the informed consent form are retained by the CPIC Agency in accordance with the provisions of relevant privacy legislation, CPIC Agency retention and disposal schedule, and Section 11 of the CCRTIS Dissemination of Criminal Record Information Policy.
