Complaint Receipt and Procedure

A complaint may be received orally (by phone or in person) or in writing (by mail, fax, email). Anonymous complaints will not be investigated. Oral complaints received by a volunteer shall be referred immediately to the most appropriate available staff member.

When receiving an oral complaint, staff will listen and seek to understand the complaint and may attempt to resolve it immediately.

Basic contact information including name, phone number and email address and a summary of the complaint shall be recorded and held on file for one (1) year or until the complaint has been resolved. This information shall be used only for contacting the complainant.

If the complaint cannot be resolved by the staff member or the complaint is in writing, the staff member who receives a complaint will determine the appropriate Director/Manager for handling the complaint. The Director/Manager will, within two (2) working days, advise the complainant that the complaint has been received and is being investigated. An estimated date to respond to the complainant will be provided.

Every effort shall be made to resolve complaints received in a timely fashion. Whenever possible, complaint investigations and responses will be completed within ten (10) business days.

Where a complainant states that she/he is not satisfied with the proposed resolution, it shall be forwarded to the Executive Director. Where a complainant states that she/he is not satisfied with the resolution proposed by the Executive Director, it shall be forwarded to the Board President. Complainants shall be kept informed of the status of their complaint. Every attempt shall be made to resolve complaints forwarded to the Executive Director and/or Board President within an additional 10 business days so that all complaints are resolved within a month of having been received.

If the complaint is about the Executive Director, Board members, or Board policies, it shall be given to the Board President for investigation and response.

Sage shall maintain a record of received complaints including updates of their progress and the final outcomes. A summary of the complaints received, including the number, type, and disposition shall be reported to the Board semi-annually.

This Complaints Policy shall be made available on Sage's website.
