CULTURAL OPPORTUNITIES

Edmonton offers a variety of cultural opportunities for the public, including art galleries, ballet and dance, chamber music, opera, symphony, theatre, and many others. Specific events are listed in the two local newspapers, the Edmonton Journal (Today's Senior section, last Monday of the month) and the Edmonton Sun. Also watch the Edmonton Prime Times paper for other articles on Leisure and Recreation. This chapter of the Directory is a great starting point.

TRAVEL INSURANCE

Consider whether purchasing travel insurance is right for your trip.

Types of Travel Insurance Coverage

- **Medical** travel insurance can help provide coverage to limit out-of-pocket costs if you become injured or sick.
- **Evacuation** - If you're abroad and must deal with a natural disaster or political unrest, getting to a safe place in a strange land is a harrowing experience. It can also be incredibly expensive. Travel insurance can help cover the cost of getting out of harm's way.
- **Cancellation** travel insurance covers cancellations due to illness and injury, and other problems such as if your tour provider goes bankrupt or an airline delay causes you to miss your event.
- **Baggage** insurance will provide some reimbursement for lost, damaged or stolen luggage.
- **Death and dismemberment** - Similar to typical life insurance, this option provides your heirs with a payout should you die during your trip.
