Elders & Angels

Website: www.eldersandangels.org/

Phone: 780.999.8958

Email: eldersandangelsyeg@gmail.com

Elders and Angels is a not-for-profit agency providing innovative services to enhance the quality of life of seniors

- Elders and Angels is committed to bringing cheer to isolated seniors on their birthdays and at Christmas and to providing them with useful basic items that they may not be able to provide for themselves.
- Strengthen seniors' independence - Staying safe is one of the most essential parts of ensuring a senior can live independently. Elders and Angels will provide free home services (snow removal, yard maintenance, minor home repair) to seniors in need.
- Support community inclusion and engagement. Stay Connected, Not Isolated! Being active in the community is an integral part of ensuring seniors live a happy and fulfilling life. Elders and Angels offer various programs to encourage all seniors to stay connected with their social networks and make new friends.

Social workers help older adults and their family members to connect with resources and supports. Sage staff offer assistance or resource information with many issues, including, health, grief, finance, issues of hoarding, relationships, mental health, elder abuse, legal matters, mobility, safety and social/recreational options. Home and community visits are also provided. In addition, assistance is provided for seniors filling out the Canada Pension Plan (CPP); Old Age Security; Guaranteed Income Supplement (GIS); Alberta Seniors Benefit; Special Needs Assistance forms, and Housing Applications.

This Full House

Phone: 587.773.1764

This Full House provides Information and support for individuals 55+ who are experiencing difficulties related to having too many things in their home. If too much stuff is interfering with living the life you want, and the desire to

acquire and save items has become too overwhelming, you may be experiencing the effects of hoarding. Remember – you are not alone. There is help, and people who understand. The program takes self-referrals, and referrals from family and community organizations. Once in the program you can expect us to visit you in your home, partner with you to develop an action plan based on your individual needs and goals, connect you with community resources using a Harm-Reduction Approach, connect you with others with the same experiences, and provide follow-up support.
