

Board of Directors

At Sage, a powerful sense of mission influences everything we do. We want every Edmonton senior to live a full and healthy life, to do as much as they can, as well as they can, for as long as they can. To do this well, to strive to be the best we can be at it, we need great people who are eager to join that mission. We are looking for individuals interested in serving on our board.

The Board supports the work of Sage and its ongoing commitment to understanding and improving the lives of seniors and advocating for seniors' issues in the community. The Board also supports the staff and management of Sage Seniors Association. Members are elected for two-year terms, with a maximum of six years in total service.

We're looking for individuals who understand the governance model of board leadership, and who can work in a spirit of collaboration with Sage's Executive Director to provide leadership in the community. The Board also works with partner organizations to provide mission-based leadership and strategic governance in areas of need for older adults.
